Supplying your artwork

ARTWORK SUPPLY GUIDE:

When sending your design to us please ensure that it is a vector file, preferably Adobe Illustrator (.ai) or .pdf file.

Please download the printing template from our website, <https://www.thirstywork.com/pura-products/glass-bottles/flip-top-750-glass-bottle>

Any text included in the artwork must be converted to outlines to avoid any fonts being substituted.

Artwork should be supplied as CMYK colour process.

Please email your artwork to: hello@thirstywork.com

PROOFING:

You will receive a digital proof showing the placement of your artwork for final acceptance before proceeding to print your order.

PRINTING SPECIFICATION:

The full available **wrap print area is 256.35mm x 97mm**. If using a full wrap the whole artwork space can be filled.

If you'd simply like to **add your logo** to the front of the bottle we recommend centralising the logo horizontally at a maximum of 65mm wide. This will ensure that your logo is completely visible when viewed from the front.

Wrap print area: 256.35mm wide x 97mm high
Please add 3mm bleed to all edges

Logo print area: 65mm wide x 97mm high

Print process: CMYK (colour matching is not guaranteed)

Artwork format: Vector

Bottle diameter: 79mm

Bottle colour: Clear
